

Innova Day is an acceleration program sponsored by Democenter-Sipe Foundation with the following aims:

- ENCOURAGE HI-TECH START-UPS GROWTH AND DEVELOPMENT
- VALUE BUSINESS IDEAS, TECHNOLOGIES AND PATENTS
- CREATE MEETING OPPORTUNITIES FOR COMPANIES, ENTREPRENEURS, POTENTIAL PARTNERS, SPONSORS AND IDEAS, START-UPS AND TECHNOLOGIES / INNOVATIVE PATENTS HOLDERS.

It addresses to high-tech start-ups, academic spin-offs and innovative technologies holders who mean to exploit their ideas, their projects and their patents.

Now, come to its 5th edition, Innova Day is a sectorial project:

- NANOTECH, BIOTECH & BIOMED
- MECHANICAL, ELECTRONICS AND ROBOTICS
- ICT

For each area a 3 phases path is provided:

- CALL, for projects submission
- SELECTION by a Scientific and Technical Committee
- FINAL EVENT of BUSINESS MATCHING, in the course of it the selected projects meet companies, entrepreneurs, angel investors, investment funds, banks, merchant banks and advisors specialized in their respective sectors and interested in enhancing innovative ideas.
